

## March 2019 Poem and Song

### That Silly Wind

That silly wind, it blows all day.  
It makes the trees all dance and sway.  
The grass it ripples here and there-  
The wind just blows it everywhere!  
It blows my hair both to and fro.  
That silly wind sure loves to blow.

## Read, Read, Read!

Tune-“Row, Row, Row Your Boat”

Read, read, read a book.

We read all the time.

We all love books by Dr. Seuss.

We love the way they rhyme.

Read, read, read a book.

Read about the cat.

The naughty cat makes such a mess!

What do you think of that?

Read, read, read a book.

We know just the one:

Green Eggs and Ham with Sam-I-Am.

Reading is such fun!
