

May Song and Poem

Five Caterpillars

Five caterpillars, five caterpillars

See how they crawl, see how they crawl

They wrap up in a chrysalis and wait for metamorphosis,

A sight you wouldn't want to miss.

Five butterflies, five butterflies.

Five Green and Speckled Frogs

Five green and speckled frogs sitting on a speckled log

Eating some most delicious bugs-Yum, Yum!

One jumped into the pool where it was nice and cool

Now there are four green and speckled frogs.

(Repeat with- Four, three, two, one.)
