

October Song and Poem

It's October

It's October.

It's October.

Leaves will fall.

Leaves will fall.

Halloween is coming.

Halloween is coming

You'd better watch out!

You'd better watch out! Boo!

Jack-o'-Lantern Faces

Jack-o'-lanterns grin.

Jack-o'-lanterns frown.

Jack-o'-lantern faces all over town.

Jack-o'-lanterns happy.

Jack-o'-lanterns mean.

Jack-o'-lanterns all say, "Happy Halloween!"
